Quitamanchas de tinta de la
ropa

Q1

Español

Q1 es un producto específico para la eliminación de manchas de tinta, aceites y grasas minerales i algunas pinturas de la ropa. Se puede usar sobre la mayoría de tipos de ropa, blanca y de color, excepto lana y piel.

Dosis y forma de empleo:

Se emplea puro, directamente sobre las manchas. Dejar actuar unos 5 min. y frotar con un cepillo si es necesario. A continuación realizar un lavado normal. No superar tiempos de contacto de 15 min. Se recomienda realizar una prueba previa para asegurar la resistencia de prendas de fibras sintéticas y de los colores de la prenda. No aplicar calor hasta que la mancha haya desaparecido. Repetir el tratamiento si es necesario.

Datos técnicos:

Aspecto: Líquido incoloro transparente.

Densidad (20°C): 0.88 +/- 0.01 g/ml.

Componentes principales:

Contiene tensioactivos no iónicos < 5 %.

Metilisobutilcetona.

Presentación:

750 ml.

Precauciones de utilización o manipulación:

NO INGERIR

H225 Líquido y vapores muy inflamables.

H319 Provoca irritación ocular grave.

H335 Puede irritar las vías respiratorias.

P361 Quitar inmediatamente toda la ropa contaminada.

P303+P361+P353 EN CASO DE CONTACTO CON LA PIEL (o el pelo): Quitar inmediatamente toda la

English

A highly effective product specifically designed for the removal of ink stains, oils, mineral fats and some paints from clothing. It is suitable for use on most types of garments, both white and coloured, with the exception of wool and leather.

Application is easy and straightforward. It is applied neat directly onto the stains, allowing it to act for approximately 5 minutes. If necessary, it can be rubbed in with a brush to enhance its effectiveness. The garment is then washed normally. It is important not to exceed contact times of 15 minutes to avoid possible damage to the garment. A pre-test is recommended to ensure the resistance of synthetic fibre garments and the colours of the garment. In addition, the application of heat should be avoided until the stain has completely disappeared. If necessary, the treatment can be repeated.

Presented in a 750 ml recipient, it is easy to use and store. Its high quality formulation ensures excellent efficacy in removing stubborn stains, making it an indispensable laundry care ally.

With Q1, saying goodbye to ink, oil, grease and paint stains on clothes has never been easier. Enjoy spotless, stain-free garments with the confidence that comes from this quality product.

With Q1, saying goodbye to ink, oil, grease and paint stains on clothes has never been easier. Enjoy spotless, stain-free garments with the confidence that comes from this quality product.

Dosage and use instructions:

It is applied pure directly on the stains. Let work for about 5 min. and rub with a brush if necessary. Then perform a normal wash. Do not exceed contact times of 15 min. A previous test is recommended to ensure the resistance of synthetic fibers and the colors of the garment. Do not apply heat until the stains have disappeared. Repeat the process if necessary.

Technical data:

Appearance: Transparent colourless liquid.

Density (20°C): 0.88 +/- 0.01 g/ml.

Main components:

Contains non-ionic surfactants < 5 %.

Isobutylmethylketone.

Presentation:

750 ml.

Use or handling precautions:

DO NOT SWALLOW

H225 Highly flammable liquid and vapour.

H319 Causes serious eye irritation.

H335 May cause respiratory irritation.

EUH066 Repeated exposure may cause skin dryness or cracking.

P102 Keep out of reach of children.

P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
P370+P378 In case of fire: Use water spray, alcohol-resistant foam, dry chemical powder, carbon dioxide to extinguish.
